## FINALIST

TOWEL BARS FOR TOWELS AND OTHER CLOTHS

**SIZES:** 24", 28", 32, 40", one-sided 2 1/2"

**FINISHES OPTIONS:** brushed or polished stainless steel, matte black powder coated on stainless steel, brushed brass

The collection of wall-mount bars for hanging cloths, like towels, consist of wrapping bars that install to the wall independently from other fixtures. The bars can be used in many applications, like bathrooms, kitchens, mudrooms, utility rooms, closets, etc., where a bar for hanging fabrics or accessories is needed.
