## FLUTTI COLLECTION

Wall mount vanities with undercounter sink and fluted design are a stylish and practical addition to any bathroom. They are available in sizes 24, 30, 36, 48, 60 and 72 inches, providing a range of options and finishes to fit different spaces. These vanities are available with optional legs, allowing extra floor space and creating a more open and airy feel in the bathroom. The undercounter sink provides a seamless and clean look, while the fluted detailing adds a touch of elegance and sophistication. These avant-garde vanities are a great choice for those looking to add a modern and functional piece to their bathroom.
