

LACAVA

CT2214

Beautiful and versatile vanity top or wall-mount sink made of concrete, with integrated tall backsplash for wall mounted faucet. It is available in several standard concrete finishes, including sand, slate, charcoal, terracotta, lilac, moss, sun and clay, plus newly launched finishes: galaxy, brick, matcha, and aqua. The soft curves and sophisticated silhouette of this sink will add zest to any residential or commercial interior it becomes a part of. This product is proudly hand-made by craftsman artisans in the USA.
