LACAVA: Flutti

Flutti Collection represents wall mount vanities with fluted design, stone countertop, and undercounter sink; the cabinetry is a stylish and practical addition to any room. They are available in sizes 24, 30, 36, 48, 60 and 72 inches, providing a range of options to fit different spaces. Decorative hardware is included and available in multiple finishes. Countertops are available in a selection of finishes in quartz, marble, or solid surface and are cut to fit an undermount porcelain sink. These vanities are mounted on the wall, allowing them to save floor space and create a more open and airy feel in the room. The undercounter sink design allows for a seamless and clean look, while the fluted design adds a touch of textured elegance and sophistication. These wall-mount vanities are a great choice for those looking to add a modern and functional piece to their home.
