FINALIST

BATH: Zoom Electronic Faucets and Soap Dispensers from LACAVA

SIZES: EX24 7 1/4", EX26 5 1/2"

FINISHES OPTIONS: polished chrome, polished and brushed nickel, titanium, matte black, brushed gold

The faucet has infrared sensor with adjustable sensing distance located in the outlet of the spout delivering 10 second water dispensing cycles with auto stop safety feature, and various aerator options to provide water savings that meet the most stringent requirements: 1 GPM Watersense certified, 0.5 GPM CAL-Green compliance, and 0.35 GPM LEED Credit. Both fixtures, the faucet and soap dispenser, are commercial grade and equipped with dual power supply.
