FLUTTI

FLUTTI COLLECTION - Wall mount vanities with fluted design and undercounter sink in marble, solid surface, or quartz countertops are a stylish and practical addition to any bathroom. They are available in multiple standard sizes, providing a range of colors and countertop material options to fit different spaces. These vanities are mounted on the wall, allowing them to save floor space and create a more open and airy feel in the bathroom. The undercounter sink design allows for a seamless and clean look, while the fluted design adds a touch of architectural elegance and textural sophistication. These wall mount vanities are a great choice for those looking to add a modern and functional piece to their bathroom.
